Webinar Mini-Series

Adapting Burn Prevention and Aftercare Support Services Amid & Beyond the COVID-19 Pandemic

Join the **Federation of Burn Foundations**, as we navigate our way through these unprecedented times and learn about how burn foundations, burn centers, fire departments and community organizations are becoming adaptive and creative in their service delivery methods.

This **Webinar Mini-Series** will cover:

Burn Prevention Amid & Beyond COVID-19: Learn about ways organizations are adapting prevention activities and programs from in-person to virtual, as well as tools and platforms available for offering virtual burn prevention.

Burn Survivor Support Amid & Beyond COVID-19: Learn about ways organizations are adapting survivor support programs, including burn camps and support groups, from in-person to virtual and at-home activities.

Fundraising and Operational Support Amid & Beyond COVID-19: Learn about ways organizations are adapting fundraising activities and events from in-person to virtual, as well as ways they are restructuring staffing and working conditions.
