Dear Federation of Burn Foundations Members:

It was great to see many of you at the Annual Meeting in Las Vegas, NV on April 1, 2019! Turnout was great for our presenter Jennifer R. Bennett, Senior Manager for Education & Training for VolunteerMatch, and her presentation on "How to Recruit, Train and Retain Volunteers." We were also able to confirm our new slate of officers, network and plan for our 2020 annual meeting!

Mark Your Calendars! The Federation of Burn Foundations strives to provide informative and useful information and trainings at its Annual Meeting every year. Thanks to member feedback, in 2020 we welcome Dan Schnieder from the Rawls Group, to present, "Who's Next in Line? Succession Planning for Burn Foundations and Burn Care Professionals." Whether a transition occurs due to an unexpected vacancy, or the anticipated transition of a long-term leader, being strategic and prepared, and having a Succession Plan in place, can help assist with leadership transition and the continuation of care. This presentation will be held on March 16, 2020 at 5:00pm at the 52nd Annual Meeting of the American Burn Association in Orlando, FL.

Thank you for your continued support of the Federation of Burn Foundations. Your dues make it possible for the Federation of Burn Foundations to host our Annual Meeting, have an online presence, provide quality speakers and trainings, connect burn foundations throughout the world, and so much more! Please complete the enclosed Membership Application and submit payment via check or credit card by 12/31/19. The application is also available online at www.federationofburnfoundations.org/become-a-member. Contact Susan Day for more information at sday@burninstitute.org.

The Federation of Burn Foundations is constantly looking for ways to better serve our members. For more information or to provide feedback, visit our website at www.federationofburnfoundations.org or contact me at jradics@aarbf.org.

We look forward to seeing you on March 16, 2020 at the Annual Meeting!

Sincerely,
